MRS. H. A. TAYLOR

DO YOU SUFFER? BACKACHE OR PAIN OVER KIDNEYS?

Wonderful Relief is Here Told.

Utica, N. Y.—"I take great pleasure in recommending Dr. Pierce's Anuric Tablets for kidneys and backache. I have never known a medicine that would give such quick relief. For some time past I had been suffering with kidney disorder, my back would be lame through the region of the kidneys and I also suffered with rheumatism and stiffness of the joints. Just recently I learned of Anuric and began its use. I have only taken it a very short time but have derived wonderful relief. My kidneys have become active and seemingly in a normal state and I do not suffer with backache and stiffness of the joints. To those who suffer as I did I would suggest Dr. Pierce's Anuric."—Mrs. H. A. Taylor, 903 Knox street.

This anti-uric-acid remedy of Dr. Pierce's for backache and kidneys (called "Anuric") is new, but it can be had at your neighborhood drug store, or send 10c for trial pkg. to Dr. Pierce, Invalids' Hotel, Buffalo.—adv.
